NEWSLETTER

Message from the CEO

Dear interested parties

We are not currently accepting applications to our Diploma in Business Management Level 7, and we do not expect to resume accepting applications.

All previously enrolled students have now graduated.

Earlier this year we held our 2019 graduation ceremony at a local marae (Maori meeting house), for the last of our international students. We would like to take this opportunity to congratulate all the graduates once again!

Duncan Balmer
Chief Executive Officer
New Zealand Academic and Learning Institute
